Sponsorship Guidelines

Please read the following requirement and guidelines for sponsorship. If qualified, you may submit a formal, written request that includes detailed project information; renderings, show schedules, marketing opportunities and any other information that would help us qualify your request. Please note that although all proposals are reviewed, only a limited number of sponsorships are granted each year.

Individual Sponsorships

AMP Research does not provide product sponsorships to individuals. This includes individuals looking for products for a “Project”, “High-Exposure” or “SEMA Vehicle”.

Automotive Industry Support

AMP Research will review automotive industry requests on a case-by-case basis. Product purchase prices will vary depending on the assessed value of the activity or relationship with AMP Research. Requests will be considered for events or vehicles that are sponsored by Original Equipment Manufactures and other Automotive Aftermarket companies.

Media Product Requests

AMP Research will provide product and support to qualified journalist based on expected media exposure. Limits may be placed on the number of products to media outlets or for personal vehicle use. All media requests will be verified before products are shipped.

All requests should be directed to Mark Wronski. mark@amp-research.com
